

Downtown West Community Cleanup

Saturday September 5, 2015, 9:00 am to 2:00 pm
Kerby Centre Parking lot across from 1133 - 7th Avenue
SW

The Downtown West Community Association is pleased to be partnering with The City of Calgary and London Drugs to host our first Community Cleanup. Come join our recycling party in the parking lot across from the Kerby Centre 1133 - 7th Avenue SW. A Community Appreciation BBQ will be serving up hamburgers and drinks hosted by the Downtown West Community Association. The city will station a Garbage Truck at the west side of the parking lot for you to throw away your trash, plus one **packer truck** for organic waste. They will be accepting mattresses, garbage, grass clippings and many items that do not fit in waste and recycling carts.

London Drugs and their recycling partner, GEEP, will be accepting other items such as electronics, small home appliances, non-food related Styrofoam, batteries and Light bulbs. London Drugs also accepts inkjet and laser cartridges, plastic bags, CFL and fluorescent light bulbs. These and many other items can be dropped off year-round at London Drugs for responsible recycling as part of their What's the Green Deal program. Visit www.greendeal.ca/yyccommunitycleanup for more information about recycling options at London Drugs.

Cutting Edge will be accepting tires, with or without rims. Good Life Bicycle Shop will be accepting bicycles in all shapes and sizes for restoration and redistribution here in Calgary and overseas. You can also recycle your old car seats. The \$7 recycling fee will be covered for members of the Downtown West Community Association. Just tell us which building you live in when you drop off your car seat. The community is also invited to donate and swap items as part of this event. Leave items you don't want any more and if you see something you like, take it home with you! Thank you to CPAA and Habitat for Humanity who will be taking all the remaining items for use in their stores and for their clients.

Volunteers needed! Please contact info@dwca.ca if you have some time Saturday, September 5, between 7:00 am and 2:30 pm.
