

History Of The

LAKE BONAVISTA COMMUNITY ASSOCIATION

1401 Acadia Drive S.E. Calgary, AB. T2J 4C6

The Lake Bonavista Community Association (LBCA) is represented by a volunteer Board of Directors elected annually by its membership. The Association operates a 65,000 square foot recreation complex offering social programs, sports programs, and physical fitness programs to its membership. The programs offered, physical facilities available and the business of LBCA is extensive and the success of these activities is greatly dependant on the efforts of a very large number of volunteers together with the capable office and building maintenance staff.

This web site is intended to provide the membership with sufficient advance notice of programs offered, program rates, and social activities to help the membership plan there activities at the "Rec Center". There are several new programs included on this year's menu and we encourage the membership to identify other programs and enhancements to existing programs.

While every attempt has been made to ensure accuracy of contents, unforeseen circumstances between the time the the web page has been made and registration may necessitate minor changes in the program schedule and rates.

DID YOU KNOW?

- We are operated by annually elected volunteer Board of Directors, assisted by a very large number of volunteers. Working along with them is a General Manager and staff.
- Membership is available at a cost of \$30 per family per year and is required for participation in community sponsored programs.
- The objective of each activity is to "break even" each year.
- To reduce program fees you can elect to work bingos.
- That it takes 120 workers each month to operate our Thursday and Saturday Bingos.
- LBCA sponsors the 144th Scouting Group.
- Our entrance signs to the Community are maintained by the Association through membership fees.
