

MARTINDALE PLANT EXCHANGE

Bring by your extra or unwanted perennials and/or choose new perennials to add to your garden.*

Please label the plants with the name, preferred location (full sun, partial sun or full shade) and the depth it should be planted. This will help ensure the survival of the transplants.

A link to a list of undesirable or noxious plants can be found on our website.

For more information contact Carolyn Peckham tinflowers@shaw.ca

*You do not need to bring plants to take some.
